The new wing, opened in the fall of 1960, has proved to be a wonderful addition to our school.

The main entrance to our gym—the center of school functions.

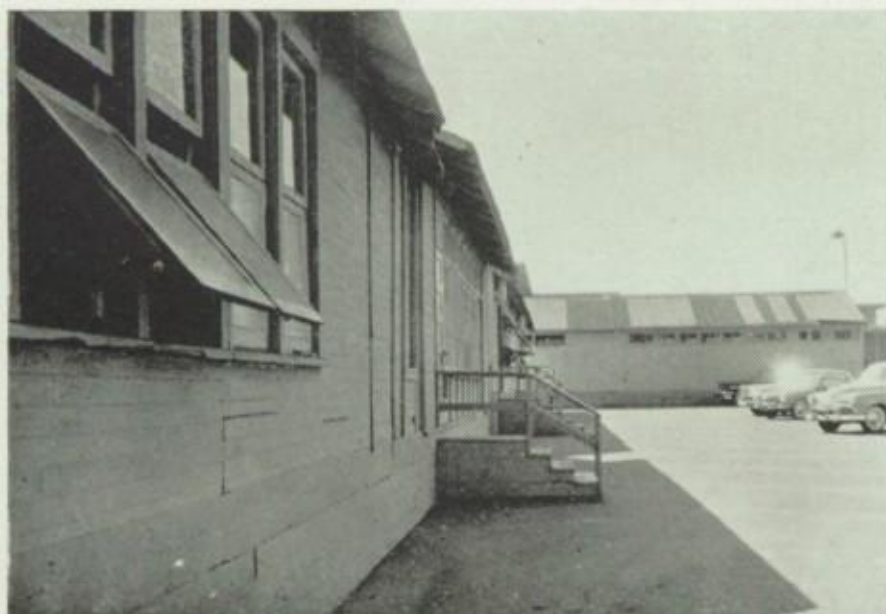

A hall in the new wing stands quiet during classes.

From the modern new wing to the friendly Jolly Roger, these familiar campus scenes will remind us of our high school days. A dramatic change occurs when the students pour out of the classrooms.

Leading male graduate of the class of January, 1961, is BOB JONES, winner of the American Legion medal. Bob served as a class officer and was a member of the student court during his final semester. But Bob's finest hours were on the football field, where he quarterbacked the Pirate eleven through its 1960 season. Bob plans to attend the University of Pacific.

One of the busiest and more accomplished students of the class of January 1961 is SUSAN SPONHEIM. While in school she served as a member of Legislature, Honor Society, C.S.F., class boards, and the Future Club. But these were not her outstanding accomplishments; she excelled in music. Susan is a brilliant, outstanding, musical genius. And to further herself she participated in such activities as the Civic Orchestra, Youth Orchestra, Honor Orchestra, San Leandro Symphony, Tri M, choir, Entertainer's Guild, and the Northern California Honor Orchestra.

As Susan advances in her career she will most likely become a very renowned performer. Good luck, Susan.

President of his class during its final semester was JIM WATTS, also selected as the most talented male member of the class. In addition to his many activities outside the school, Jim was also active as member of the orchestra, and played roles in two Spring musicals.

The attractive and popular BONNIE STATE has filled her three years at San Leandro High School with many accomplishments. She belonged to such things as Pep Club, Tri M, Foreign Exchange Club, and was a member of class board for three years. Beside belonging to these activities she worked on all the G.A.B. dances, her Sophomore Hop, Junior Prom, and her Senior Ball. She held two important offices during her stay here, vice-president of student body and secretary of her senior class. We all know Bonnie will be an outstanding representative for San Leandro High School and for her class of January 1961.

CLASS OF JANUARY, 1961

ACTIVITIES

In January 1958, the graduating classes from Bancroft and John Muir Junior High Schools joined together to form one class at San Leandro High. Babs Fernandez became the L-10 President as there weren't elections held for the incoming class. The primary functions of the class were snow cones, fudge, and cake sales. On Sadie Hawkins Day, Connie Elhers and Roger Ferreira headed the class as "Lil Abner and Daisy Mae," taking second place.

With the theme of "Autumn Leaves," the Sophomore Hop replaced the Sophomore Picnic in the H-10 semester. The whole class made up for the Sophomore Picnic the day after school let out for the summer with a picnic at Roberts' Area.

The Junior Prom, "Winter Wonderland," was headed by Sue Rigney and Bonnie State who worked hard to make it the biggest event of the Junior Year.

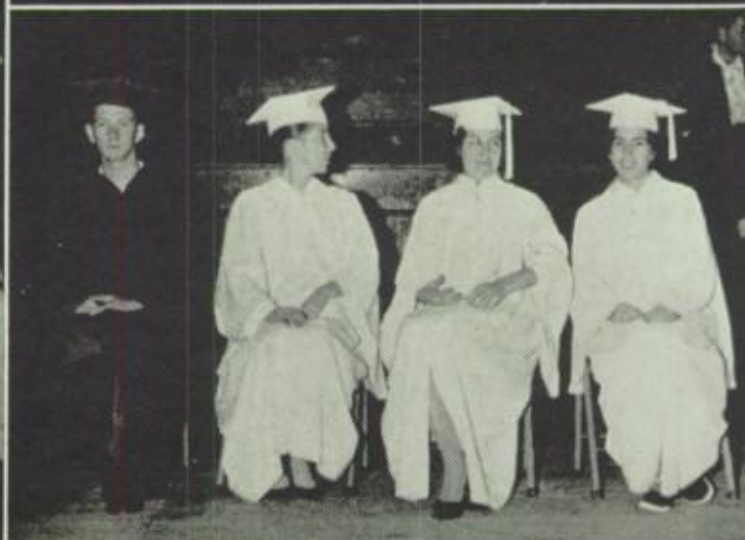

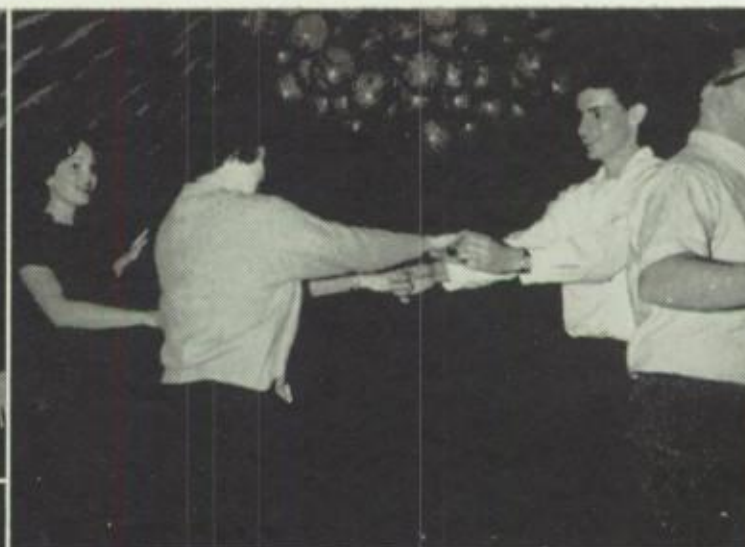

The class counselor, Mr. Larson, left San Leandro for a position at Pacific High and was given

a chaise longue as a token of the class' appreciation.

The High Senior Semester began early with two class picnics held in June and August at the Cupertino Berry Farm. On September 27 the traditional Senior Picnic was held at the Little Hills Ranch.

On September 12th a Senior Breakfast was held at Jerry's Pancake Parade. On Student Body Day the class again met at Jerry's on bicycles. Another one of their activities was the Senior Dinner which was held at the Villa Lorenzo on November 10th. Lorraine King was a smash hit in the Senior Assembly, written by Sharon Glidewell and directed by Jim Watts, H-12 Class President. A novelty of the day was Senior Silence Day.

The Senior Ball, "June in January," was the night the class had been looking forward to: Co-chairmen were Dana Sanders, Steve Stover and Shelia Sweeney. The After-the-Ball Party held at the Athens Club completed a very special evening the class will long remember.

SENIOR BREAKFAST

High Senior girls forgot about calories at the Senior Breakfast.

Judging from the above pictures, it looks like the High Senior boys get pretty vicious in the wee small hours of the morning.

The day of the second breakfast, High Seniors were found displaying school spirit on the Senior Bench. The sweatshirts and pedal pushers were all a part of Student Body Day.

GRADUATION

January 26, the night of graduation finally came. In an atmosphere solemn and pensive, the diplomas were presented by the counselors, Mr. Charles Hawkins and Mr. Ellerth Larson. Remembering happy high school days now coming to an end, we had a special anticipation for the challenges of the future. The speakers, Jim Watts, and Sharon Glidewell, expressed our feelings on the new world we were to face and our problems in facing it.

Graduates listened to the remarks of graduation speakers Jim Watts and Sharon Glidewell.

Happy faces as the processional begins.

Counselors Larson and Hawkins present diplomas.

Good-bye to high school days.

SENIORS

The high senior class board of the January 1961 class worked hard on all their senior activities.

Seniors enjoy themselves at the after-graduation party, held in the Farrelly Building.

On December 8 the High Senior Class delightfully entertained the student body with an original Senior Assembly entitled "Cloderella," the first put on by a midyear class in several seasons.

Members of the cast of Cloderella spent many hours after school rehearsing for their successful senior assembly.

The riff-raff assembled at the great ball, near the finale of the senior assembly.

Seniors arrived early for the Friday night affair.

They danced to the music of Walt Offholter and his orchestra.

Seniors dance under festive decorations at the January Senior Ball.

Tired feet, but lively faces.

The chairman of the Ball arrives with her entourage.

Seniors prepared a toast for the happy years ahead.

It's a happy group of Seniors who arrive at the Athens Club for the After-the-Ball Party.

On January 20 the Senior Ball, "June in January," was held at the San Leandro High School gym. The theme was carried out by flowers, bridges, and tables set in a gardenlike arrangement. The Seniors then adjourned to the Athens Club, where the After-the-Ball Party, sponsored by the parents, was held.

As proved by Dana Sanders and escort, chivalry is not dead.

The Seniors enjoy a dinner with atmosphere at the Athens Club.

FALL SENIOR CLASS BOARD

The Fall Class board worked throughout its tenure at raising the funds necessary to a successful and active low senior year. Activities included a cake sale, field trip, car wash and many others.

Although Mr. Harry Stehr left San Leandro, after counselling one half of our class for two years, he will be remembered as a good and understanding friend, and as a sympathetic counselor.

Mrs. Violet McLaren has had to handle our class alone during its final year, and she has done a magnificent job. Your "children" of June, 1961, want to express their gratitude.

CLASS OF JUNE 1961

ACTIVITIES

We, the graduating class of June 1961 began our three years here at San Leandro High School by having one of the most active sophomore years in the history of this school. Our sophomore dance, entitled "Boot Hill Hop," was a rousing success. We then began our money-making projects by holding car washes, cake, cookie and candy sales. The purpose of these activities was to finance our senior year. Rick Robles succeeded Jack'e Beran as our President in the Spring Semester. Our class has always been fortunate to choose very capable leaders, as in the case of Jackie and Rick.

The biggest event during our Junior year was our Prom, "Treasures Under The Sea." Under the chairmanship of Sally Anderson, we worked hard at changing the gym to a castle under the sea. The night of the Prom will long be remembered by all.

After passing trials, tribulations and finals, we brought with us pleasant memories of our years as "helpless" lowerclassmen to our final glory, the title of "Senior." We returned from our last free summer, its jobs and fun, to begin our Senior Activities.

Proud of our title "Low Seniors" we made for ourselves one of the best names a Low 12 class has

ever had. We purchased more Student Body Cards than any other class, we were the first to raise money by selling magazine subscriptions. We also valiantly made an attempt to gain rights to the Senior Bench, but tradition was stronger, and as a class we met our first failure.

The morning of the supreme honor: with the official title of "High Senior," we met for the traditional breakfast. Arrangements handled by Chris Tunick and Russ Bader went off without a flaw, and we chalked up another successful activity. We returned to school high in spirits, high in our outlook for the future and high seniors.

Throughout our high senior year as a class, we engaged in various activities, each one more successful than the one preceding. Our class, led by President Craig Sylvester and Vice-President Jerry Brown, held our Senior Picnic at the Marin Town and Country Club. To say a good time was held by all is an understatement. Our Senior Ball and Senior Assembly were equally successful. But all that is behind us now. The good times, the fun, and lots and lots of grand memories, memories of our years at San Leandro High School and our class, June 1961.

High-Seniors are trying to make the best of what is left of the senior lawn.

High-Seniors take advantage of new vending machines in the Jolly Roger.

One of the most spirited girls around the campus of San Leandro for the past three years has been VICKI ANDERSON. Membership in such activities as GAA, Pep Club, Entertainer's Guild, Legislature, Class Board, and leading the Pirate rooters in the past football season have kept her busy. U.C.S.B. or San Jose State are the probable schools in Vicki's future.

Keeping himself busy in both sports and books the past three years, BOB NIKKEL has earned his place as one of the progressive Senior boys. Leading the Pirate Cross-Country team, participating in class boards, presidency of Block S, and Key Club have kept him active.

The honor of being San Leandro High's first official "Sports Queen" went to a popular senior girl, BOBBI MURRAY, a member of Pep Club and G.A.A. Bobbi has won for herself many friends of both sexes with her pleasant disposition and warm personality. After college Bobbi plans to go into teaching, possibly physical education.

One of the more spirited males on campus these past three years at San Leandro High has been Senior TOM CURRIER. President of his junior class, member of the exclusive Key Club, participation in the student legislature and many class boards, Tom has been one of the more active members of his class.

Our school was proud to have MARCY SMITH as our representative in New Zealand. She not only was a fine example of the average San Leandro High student but a good American. In addition to studies abroad Marcy managed to rack up an impressive list of accomplishments here. Membership on class boards, Pep Club, Girls' League, Sophomore Hop dance committee, Foreign Exchange Club, Junior Achievement, Big Sister, Senior Assembly and Managing Editor of the Sextant, have been a few of her accomplishments. Marcy plans to finish her education at a school in the east where we know she will be successful.

GLEN REED has been very active in Student Government. Glen rounded out his school activities as Vice-President in his Senior Year. He has served on class boards and has been active in Junior Achievement, Latin Club, Key Club, and Rally Committee. He also served his school as a member of the Cross-Country Team in his Junior Year.

DIANE NISKE has been in such student activities as Pep Club, legislature, class boards, Chairman for her Soph Hop, Spring musicals, Entertainers Guild, Secretary of her High Junior class, and song girl for two seasons. In the fall our personable Diane will continue her studies at San Jose State or the University of the Pacific.

A member of our class that has had membership in C.S.F. since his Sophomore year and has maintained high enough grades to make Honor Society all of his three years at San Leandro High has been REGGIE POWELL. He also participated in such activities as Key Club, Executive Board and Commissioner of Boys' Affairs in his Senior year. Of all these and more, Reg's proudest achievement is making our fine varsity baseball team. He is an outstanding pitcher besides being a mainstay in the Pirate lineup. In the Fall it will be off to college for Reggie.

Beginning her three years here at San Leandro High as president of her Sophomore class was Senior JACKIE BERAN. While here she participated in many activities such as Girls League, member of the Executive Board, G.A.A., Student Legislature, Pep Club, Song Girl, G.A.B. Dance Committee, and the Senior Ball Committee. In the fall Jackie will continue her education at San Jose State.

One of the more active and popular girls of her class has been ROBIN SOLBERG, or "Dimples," as her many friends like to call her. Robin's activities are many, but to list just a few, there have been class board, Soph Hop, Legislature, Girls League, Pep Club, head Song Girl, Vice President of her Low Junior Class, G.A.B. Dance Committee, Kick-off Dance Committee, Young Life, Senior Picnic, Cargo Reporter, Senior Assembly and Chairman of her Senior Ball. San Jose State is the college in Robin's future. San Leandro High will miss seeing her smiling face around campus: our loss is San Jose's gain.

Maintaining good grades and participating in school activities; sounds impossible to do both, doesn't it? Not to JEAN PEARSON who mixed school work with school fun and came out on top. Some of the activities that have kept Jean busy have been class board, Girls League Representative, G.A.A., Honor Society, C.S.F., Jr. Prom Committee, Spanish Club, Thespians and the Editor of this Yearbook. The University of California at Santa Barbara will be the college in Jean's future, where we wish her the best of luck!

HAROLD ESPELAND served our school well as Student Body President and still found time to participate in other school activities. Harold is a member of the Honor Society, Track Team, Sea Scouts, C.S.F. Future Teachers Club, Electronics Club, Key Club and participated in the Sr. Assembly. Harold ranks among the top percentage of his class.

NICOLAUS SCHERK, our Foreign Exchange Student from Vienna, is one of the busiest boys on campus, both socially and scholastically. His plans for the future are indefinite at the moment but we are sure that whatever he attempts will be a success.

One of the most active girls in the senior class has been PEGGY BROWN. Participation in G.A.A., the Honor Society, C.S.F., Pep Club, Jr. Prom Committee, Big Sisters and class boards have kept her on the go. She served as the vice president of her Low-Senior class, which was one of the most spirited groups in San Leandro High history. Cal will find her studying hard next fall.

The success of last semester's CARGO was due largely to the hard work of its editor-in-chief, LELIA GIMPLE. A member of G.A.A., Pep Club, Jr. Achievement, class boards, Honor Society, C.S.F., Future Teachers Club, Executive Board, and Commissioner of Publications also kept her working hard. After graduation Lee plans on going to San Jose State and work towards her teaching credential.

BOB HITCHCOCK proudly carried on in the footsteps of his brother by serving as Student Body President of San Leandro High School, and equalled his excellent job. In addition to this time-consuming job, he also found time to participate in Key Club, Student Court, Foreign Exchange Club, Block "S" and maintain his membership in Honor Society. Bob's leadership during the past year has made our school's government one of the most envied in the Bay Area.

The only student in our class to receive the honor of being elected class president for two successive terms has been CRAIG SYLVESTER. In addition to serving as president of his Senior Class, Craig also made the J.V. Swim Team, was on student legislature, class boards, Executive Board and Sr. Picnic Committee. Craig plans to major in engineering at the University of California, where we know he will be a success.

Head Song Girl, Nurses Club, Girls League, Jr. Achievement and Pep Club are just some of the interests of LINDA BEAUCHAMP. When not attending a meeting or game Linda found time to be in the spring musical, on the Jr. Prom Committee, class boards, legislature, class secretary of her Senior Class and be on the G.A.B. dance committee. A career in nursing is Linda's goal, and we wish her good luck.

The ever-smiling face of PENNY FURTNEY has been in and out of more activities here at San Leandro than one can imagine. Class boards, dance committees, Big Sisters, Pep Club, Legislature, hard work and a lot of effort put forth on the make-up of this book are just a few of her achievements. For the past two years she has led the rooting section at both football and basketball games. Her pep and drive will make her stay at San Jose State a most successful one, we're sure.

PAUL SACKS is one of the more frequently heard names around our campus. Paul has a record that he can be most proud of. He was advertising manager of the CARGO for a year, also Sports Editor, class boards, Block "S" and Legislature. One of Paul's proudest achievements is the fact that he is Massachusetts State Tennis Champion in his age group. In the fall he will go to Washington to finish school.

Good grades and activities do mix when the student-in-charge is ROBERTA NAKASHIMA. Class boards, Junior Prom dance committee, Honor Society and C.S.F., Secretary of Student Court, executive board, have all been important to Roberta during her stay at S.L.H.S. We, her classmates, are sure she will well represent our school at the college of her choice.

KAAREN JOHNSON has kept herself quite busy around campus since she came to San Leandro as a lowly sophomore. To list all her activities would be much too time- and space-consuming but some of Kaaren's favorites were class board, Girls' League Representative, Foreign Exchange Club, legislature, Honor Society, C.S.F., Future Teachers Club, Commissioner of Finance, executive board, and Junior Achievement. Kaaren was also on various dance committees and participated in her Senior Assembly. We are certain that Kaaren will succeed in whatever she attempts.

One of the "nicest guys" at San Leandro High this past year has been Senior-boy MIKE CHINN. Mike made many friends by serving as Bailiff for Student Court. Mike also earned his block letter, participated in class boards, Legislature, and belonged to Key Club. We, his classmates, want to wish him all the very best of luck in whatever he chooses to do in the future.

The unofficial title of most spirited and most popular boy of our senior class goes to JERRY BROWN, who is a native of Oklahoma. He is an outstanding athlete and has participated in wrestling, track, and football. In his last year of football he made All-County Offensive and Defensive teams, and in addition to this honor he was selected to play in the East-West game. Jerry intends to further his education and his athletic ability in college. Our boy deserves only the best, and we hope that all his dreams and prayers are fulfilled in his coming years.

CLARK SANDERS, "SANDY" to his friends, can look back with pride at the outstanding record he has made for himself in the past three years. Serving as manager for San Leandro's hustling football team for two years, managing our first-place swimming team, a member of the Block "S", and manager of the track and field teams are some of the things Sandy did to keep himself busy.

Another active member of the senior class is CAROL WILCOX. Participation in class boards, legislature, and serving her class as Secretary are just a few of her achievements. Her pet project at San Leandro has been the school paper, the CARGO. She progressed from Business Manager to Editor-in-Chief in her high senior year. We wish Carol all the success possible in her future years.

Beginning his life at San Leandro High by making the football team and winding it up as News Editor of the Cargo has been active senior boy, STEVE HOWELL. Some of his other achievements include serving two terms as president of Hi-Y, serving on Class Boards, playing Junior Varsity football, Commissioner of Buildings and Grounds and membership in Quill and Scroll. Steve's personality has won him many friends, and we know this is a trait that will continue to make his life successful.

Maintaining a A- average throughout her last three years at San Leandro High and maintaining her membership in such groups as Honor Society, Band Board, Orchestra, Tri-M, Executive Board and Commissioner of Music has been Senior girl STELLA BENTLY. Stella has the ability to apply herself to a problem and solve it; she is not afraid of hard work and has a rich, full life ahead of her.

In addition to serving as Secretary of Teachers Club, and a member of both Honor Society and CSF, SALLY ANDERSON also found time to include in her list of activities the Foreign Exchange Club, Class Boards, G.A.A., Commissioner of Girls Affairs and President of Girls League. These activities show that whatever Sally entered she went into it wholeheartedly and did the job well.

Another of the active Senior girls has been JANICE PARRY. While maintaining a high grade average Janice also found time to partake of such activities as GAA, Pep Club, all class boards, parts in "Tea House of the August Moon," and "Harvey," membership in Thespians and Young Life. She plans to go on to college—the exact one is as yet undetermined—where we are sure that her boundless ambition will make her a success.

Things to do! Things to do! BETTIE NORDSTROM always has things to do. Since coming to San Leandro as a lowly Sophomore, Bettie has participated in many activities, some of which are class boards, GAA, Pep Club, Spanish Club, Secretary of her Low Junior class, Legislature, Thespians, Secretary of A Cappella Choir and parts in the productions of "Brigadoon," "Babes in Arms," and "Harvey." Bettie's drive and spirit will take her far in this world, we are sure.

SENIOR BENCH

The SENIOR BENCH has been a tradition at San Leandro High School for many years. The bench is reserved for seniors only. Most lowerclassmen respect this tradition, but those that don't receive a citation.

High-senior girls wear black in mourning of the seniors who have just graduated. This also has been a tradition at San Leandro High School for many years.

SPRING CARGO

Steve Howell begins paste-up of the front page.

This year's Spring Cargo staff, under the editorship of Carol Wilcox, has done excellent work in producing our Cargo. They have worked together to provide the student body with complete coverage of campus news, and they have kept the fine reputation that Cargo has had through the years.

The Cargo is edited and published by the students with help from their advisor, Mr. J. Crabbe. The staffs this year have been well organized and alert to give us all the interesting news about school life. The staff members have not only enjoyed their work but have gained new insights in the field of publications.

Advisor for the Cargo staff as well as for the ANCHORS AWEIGH staff, Mr. Crabbe has shown unceasing enthusiasm in his work with student publications. Under his guidance the staff has succeeded in publishing a fine school paper.

ANCHORS

WEIGH

Editor-in-Chief Jean Pearson, and Sports Editor Carol Bohmfalk sell yearbooks in the lobby during "B" lunch.

Chris Tunick and Penny Furtney select pictures to be placed in Anchors Aweigh.

Staff members meet about plans for the new yearbook. Most decisions were made in similar staff meetings.

The Yearbook this year has been the result of a combined effort on the part of a group of Seniors who wanted to produce a product that their classmates could be proud of. With this goal in mind, we each set forth to accomplish it. Hard work, lots of effort and many extra hours of toil and later the 1961 ANCHORS AWEIGH came out. We sincerely hope the book is one you will all enjoy. The Staff.

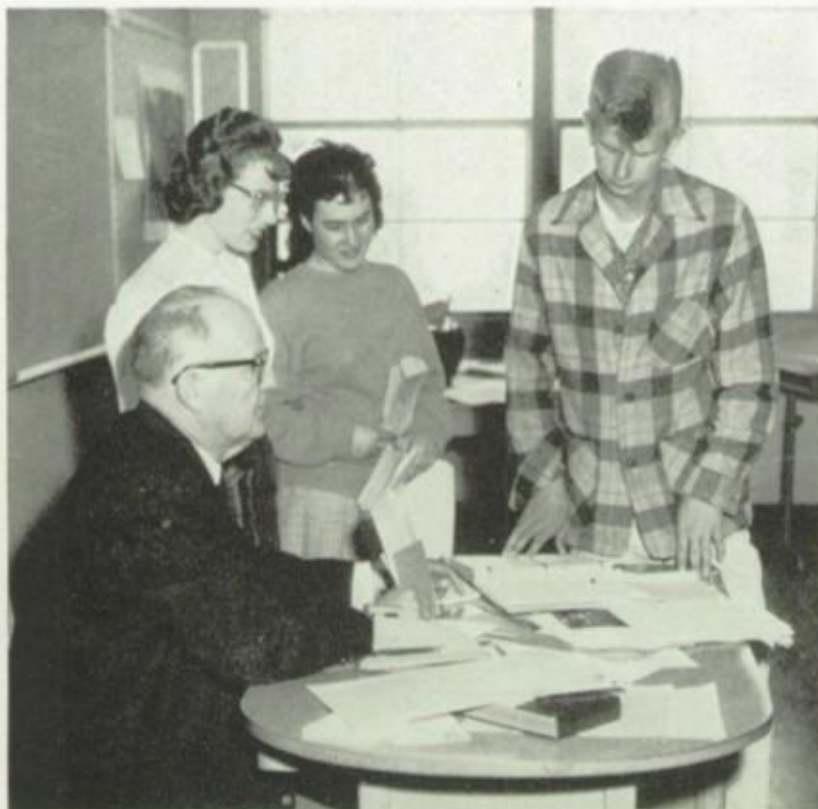

Wendy MacIver, Chris Tunick, and Jim Falconer discuss possible ideas for the yearbook.

Joining the year-book staff in the Spring, Jeanne Martin, Coleen Berry and Karen O'Leary find the book neary finished.

Sneaking out of the darkroom we find Tom Walters, Carol Bohmfalk and Linda Simon.

Jean Pearson and Carol Bohmfalk work to clear up minor but necessary details.

Printer's Representative Bob Ozias helps staff members.

The cover is examined by its designer, Chris Tunick.

San Leandro High can be proud of the fine group of musicians that make up the Marching Band. The band provides entertainment for many school functions including football games; they have also participated in a special event held at Cal for marching bands from all over Northern California.

MUSIC

Another group of musicians San Leandro can be proud of is their dance band. This group provides music for the school dances as well as assemblies.

The orchestra, under the supervision of Mr. Don Phillips, participated in many musical activities including assemblies and the Fall Concert.

The A Cappella Choir, which was trained by Mrs. Virginia Henry sang at the Christmas assembly and various other school functions.

The Sea Scouts pictured above with their boat are sponsored by the men of the San Leandro High School faculty.

CLUBS

San Leandro High School has many clubs in which students can participate. The clubs are varied according to the interests of the students. Clubs are a vital part of our school activities. They give many different students experience in leadership and in participation with other students.

The Spanish Club, right, promotes interest in the Spanish language and in Spanish customs. The Chess Club, bottom right, enjoys having tournaments within their club and with clubs from other schools. The Sea Scouts, pictured above, are an active organization. They own their own boat and use it for cruises.

SPRING CALIFORNIA SCHOLARSHIP FEDERATION.

The Pep Club is designed to promote school spirit and to teach cheerleading techniques to all those interested in yell leading.

Many of our clubs help serve the Student Body. The Pep Club, above, keeps the school spirit lively in the bleachers at the football games and basketball games. The Rally Committee, left, also helps during sports events besides keeping order at other school functions and assemblies. The Tri M, below left, is an honorary music society. Members must have certain qualifications and must be able to pass music tests. The group sponsors the annual Fall Concert. The Key Club, below right, also gives service. They were in charge of the car safety checks in the student parking lot.

Tri-M, a national honorary music society, sponsored the Fall concert as one of its many musical activities.

The Key Club, one of the service clubs at San Leandro High School is composed of boys who wish to serve their community.

The aim of the Foreign Exchange Club is to foster understanding between students in the United States and those abroad. Advisors to the club are Mr. Richard Abel and Mr. Richard Phipps.

ENTERTAINERS' GUILD

Girls' Block "S" is the girls' honorary athletic organization. Members are left to right: Georgia Vlahors, Sharon Glidewell, Jeanne Martin, Carol Muller, and Gabrielle Gurski.

NOMADS

The Block 5 Society is composed of boys who have lettered in sports at San Leandro High.

Big Sisters is one of the service organizations of San Leandro High, made up of students chosen by Dean of Girls, Miss Vera Jansen. Members benefit the school by helping to acquaint new students with the school.

Future Teachers Club is designed to acquaint students with the teaching profession and to aid those who are already interested in teaching.

The Girls Athletic Association is composed of girls interested in various types of sports activities. Girls participating may earn points for Girls Block "S."

Quill and Scroll, an honorary, national scholastic journalism society, is open to students with a "B" average and 100 inches in print.

Students in the Russian club, under the sponsorship of Mr. Stern, learn customs through various club activities.

Health Career Club is composed of girls interested in nursing as a profession.

The importance of the Drama Department cannot be overemphasized. It works in coordination with the drama classes, the dance classes and the music classes, and this year put on two of the finest performances ever seen at San Leandro High. The first of these was the Term Play, a delightful comedy called "Harvey." "Harvey" was presented on the 17th and 18th of November. The Spring Musical, the second of the Drama Department's productions was presented on May 25 and 26. It was titled "Plain and Fancy." "Plain and Fancy" is a charming musical comedy about the Amish in Pennsylvania.

Mrs. Carol Mitchell, San Leandro High English teacher, worked alone as director of "Harvey," this year's term play.

Thespians is an honorary Drama association for students participating in term plays or musicals. In order to become a member of Thespians, a student must earn at least ten points either by taking part in a school dramatic performance or by selling tickets. Members receive a certificate, a membership card, and are eligible to buy a pin. Thespians had many activities this year including going to see a term play at San Francisco State, "It Happened to Jane," and going to see "Destry Rides Again" at the Curran.

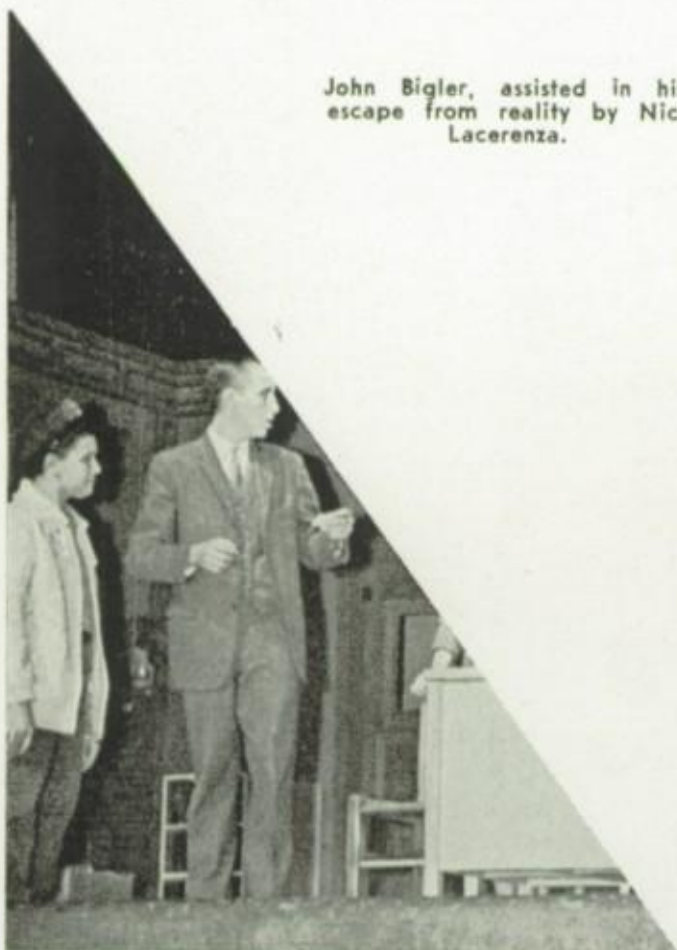

The entire cast—with the possible exception of Harvey himself—assemble for a curtain call after the final performance.

HARVEY

The Drama Department's Fall production was the ancient but delightful comedy, *Harvey*. Directed by Mrs. Carol Mitchell, the play was well attended at both its performances. A unique effect was obtained by utilizing half the stage for each of the required scenes.

ANCHORS TAKES A INFERNO

One of the most popular social functions at San Leandro High School is the semi-annual Girl ask Boy Dance. The Fall semester's G.A.B. Dance had a most unusual theme, A Journey Through Inferno. It was carried out by many interesting and gruesome sights including a bat cavern, a lake of boiling blood, a graveyard and a fire cavern. The dance proved to be "out of this world."

Working on decorations for the picture corner were Marilyn Gates (left) and Linda Derr.

John Wayland and Donna Reith (left) with Bill Spencer and Lelia Gimple pause to look at some of the decorations.

Nikki Justino pins her prize winning corsage, The Venice Fly Trap, on Dave Badilla.

FALL G.A.B. DANCE

AWEIGH

TRIP TO

CONEY ISLAND

This Spring's Girl Ask Boy Dance was a big success. The girls and their dates went to Coney Island for the evening. The fun house with its fat lady stopped all passers-by. The ferris wheel, carousel and beach scene were very gay and interesting. The side show was the scene of attraction. Couples had their souvenir pictures taken here. Everyone who went to the Coney Island Dance had a wonderful time.

The fun house attracted many people at the Coney Island G.A.B. Dance.

Sharon Mann and Willa Salazar laughed together as their dates looked on.

Sharon Brownlow and Rich Shepard enjoyed the beach scene at Coney Island.

SPRING G.A.B. DANCE

"Coney Island" was enjoyed by all who attended. The decorations were unique, gay and interesting. All who worked on the dance deserve credit. The traditional corsage contest was won by Joan Hollub who made an umbrella with a fruit basket under it.

Couples enjoyed being at the beach as well as dancing.

The ferris wheel was one of the main attractions at "Coney Island."

Merry-go-round ride, anyone?

Couples sit down for a chat as the girls rest their feet.

The outside calendar announces the semiannual Election Dance.

Enjoying the music and dancing at the Fall Election Dance are Ray Henneman, Kay Faulconer, Rich Shepard, Sharon Brownlow, Steve Howell, and Carol Wilcox.

At the Election Dance, Glen Reed celebrates his victory with Donna Moore.

Considered the most entertaining activity of San Leandro High by most students, the various dances signify the climactic ending of special events, such as the school elections or special times of the year such as graduation. Other dances help to finance the separate classes, such as the Sophomore Hop for the 10th grade and the Junior Prom for the 11th.

Entertainment at the Election Dance was provided by the "Casuals." (Results of the election are shown on the left.)

Roberta Nakashima and Stella Bentley listen to an executive report.

Jerry Biggs, Jim Kelker and Brent Galloway pay strict attention to the business at hand.

Smiling as they discuss some business are Vicki Anderson and Angelo Trujillo.

The Executive Board in action under the excellent leadership of Harold Espeland.

The Pecker Wood was a final climax to the "Botany Zot" Dance at the Senior Assembly.

Our exchange assembly consisted of many interesting performances including the piano player and the Shelley Berman pantomime.

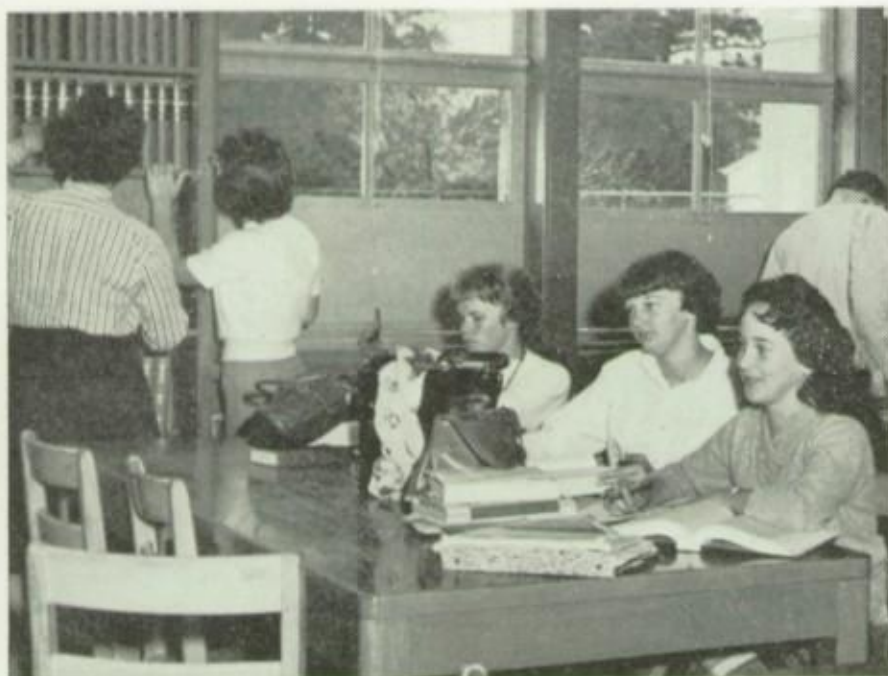

The Lancers provide entertainment for one of our most enjoyable assemblies.

Members of the Thespians and the choir present a play and music for our Christmas Assembly.

Harold Espeland, outgoing President, swears in Bob Hitchcock as the new President for the Spring Semester at the Awards Assembly.

The first and most popular sport at San Leandro High School is football. The students of San Leandro High literally pack the bleachers to watch the almighty Pirates sweep to victory over the other teams.

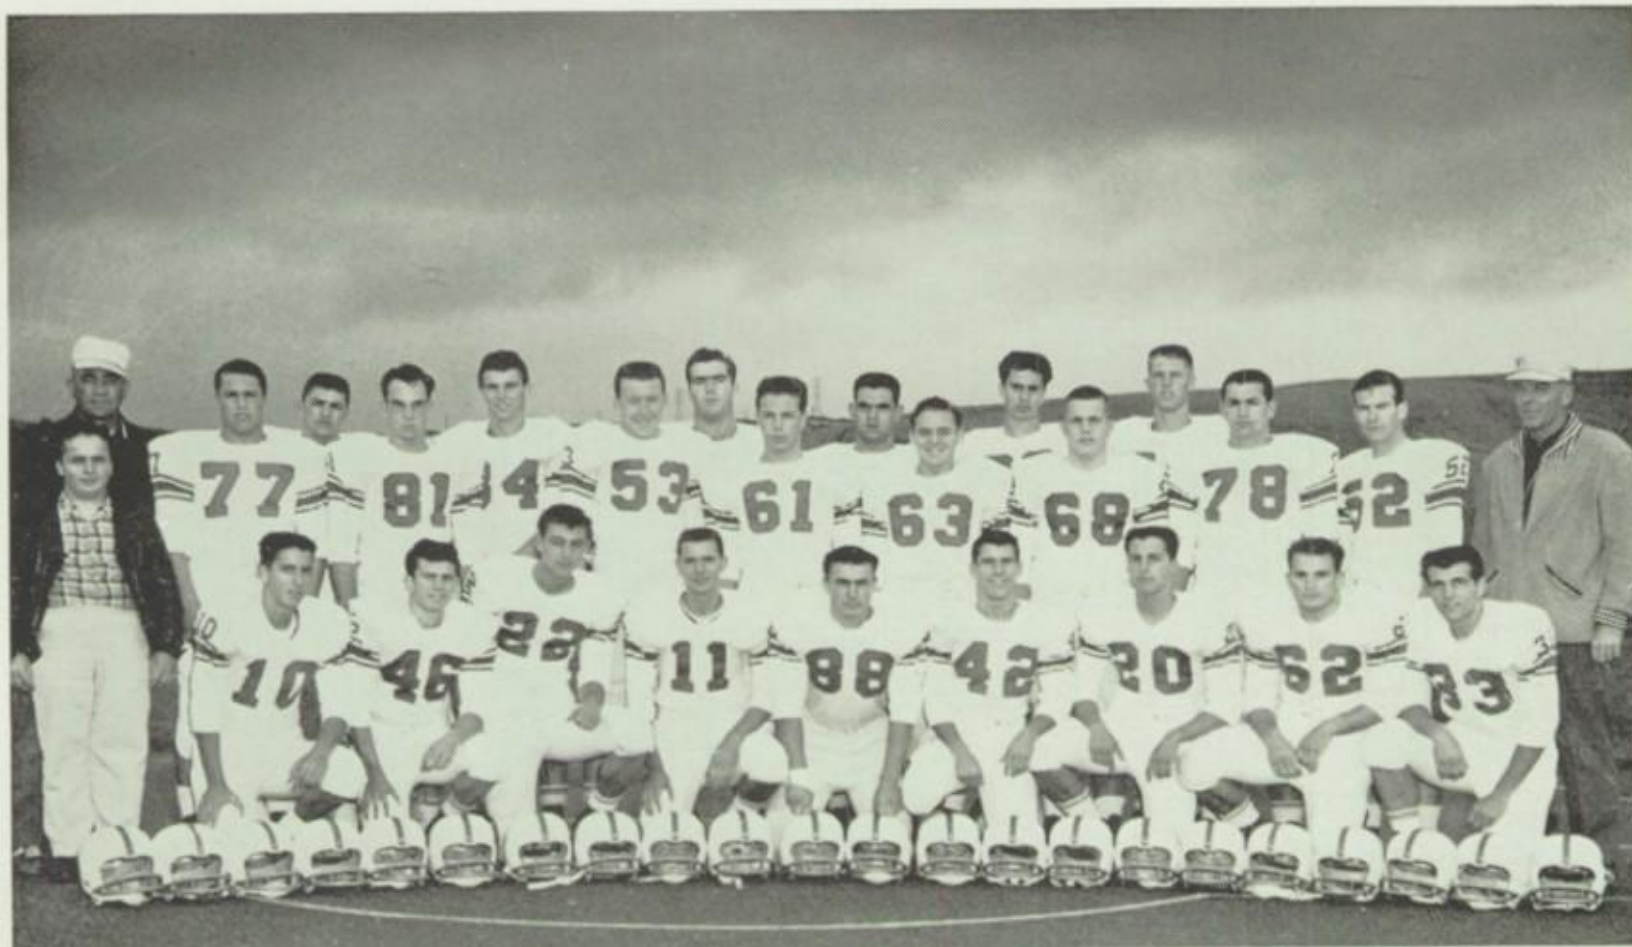

Ours is a team that we should be proud of, for the almighty Pirates are the team that won eighteen straight games without a loss.

This year the Pirates began their season by "krushing" Castlemont. Then the Pirates beat Napa, El Cerrito, De Anza, and Berkeley before their tragic losses to Alameda, Encinal, and Richmond. But the Pirates came through with a final victory over Harry Ells.

We owe much of our success to our football coaches. We have five top coaches at San Leandro High headed by Head Coach J. C. "Biff" Crawley.

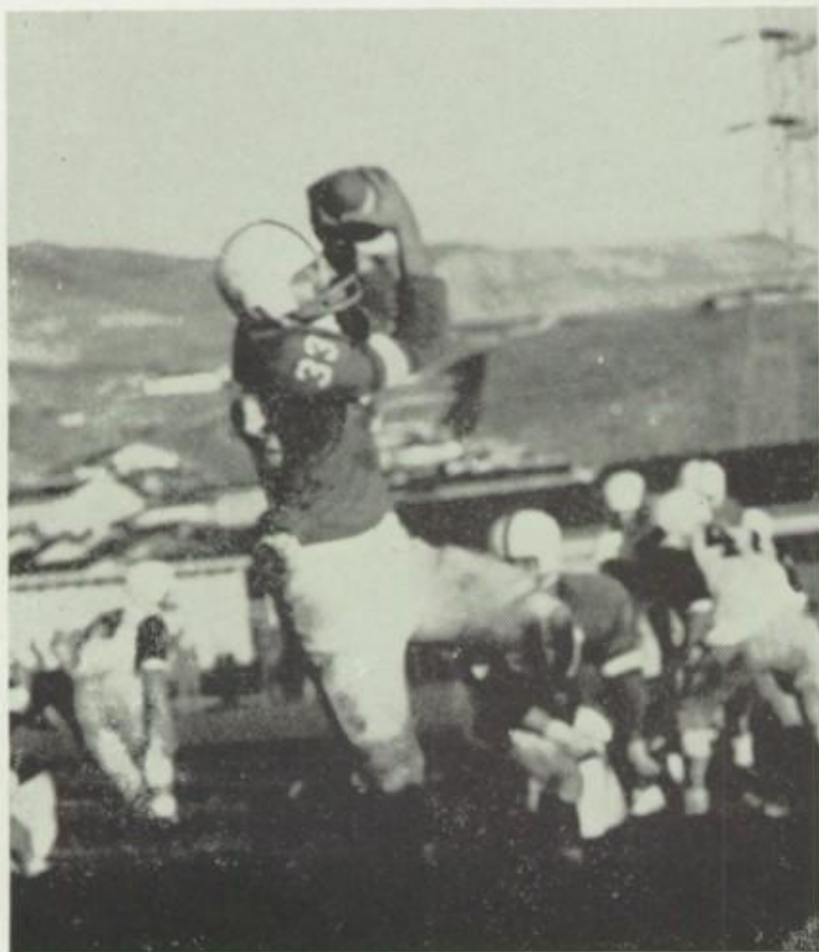

HERE COME THE PIRATES FOR ANOTHER GREAT GAME.
